# CLASSROOM MANAGEMENT PLAN

## ■ Golden Time

- Primary 6 is a very intense year and poor behaviour can have a negative impact on both the opportunity to learn and on academic progress.
- High expectations for behaviour through our Positive Behaviour policy – good manners, co-operation and respect.
- Consequences for poor behaviour from individuals and the whole class – i.e “Reflection time” to complete a reflection activity with Mr Gray (Tues – Fri). A Reflection Time notice will be sent home in advance to inform parents.
- Any concern with your child’s behaviour will be immediately communicated to you via homework notebook or by phone.

# HOMEWORK

- A hard copy will also be sent home with your child on Friday.
- Homework is to be completed and returned to class teacher on date specified in homework diary.
- Children should spend 30-45 minutes on homework. If any longer, stop. If your child has a particular problem with a homework please message us using dojo. All queries will be dealt with during appropriate hours.
- How you can help:
- Be good role models e.g. show a personal interest in reading, play games, be enthusiastic about homework!
- Get children into good study routines.
- Show you believe it's important.
- Set space aside and provide a quiet learning environment.

# HOMEWORK

- **Written** – Mon/Wed is Literacy or World Around Us. Tuesday is Numeracy. Thursday will be a Mathematics homework. Please check for any errors and correct them with your child and sign. Homework should last 30-45 minutes concentrated effort per night.
- **Reading** – 20 minutes per night with 5 minutes aloud to an adult. Accelerated Reader quizzes should be taken when book is completed.
- **Spelling** – Spelling workbooks £5 – activities are completed at home on a set of list words which change every 2 weeks. There will be a test every Friday (first ten spellings week one, all spellings week two).

- Be aware of age registrations on certain apps.
- Many innocent looking games also have chat features which means your child could easily be talking with strangers.
- Check your child's devices regularly and use this as an opportunity to talk about online safety.

## PARENTAL INTERVIEWS

- These shall be conducted in October week beginning Monday 24<sup>th</sup> and March week beginning Monday 13<sup>th</sup>.
- Parents attending annual reviews in March will not require two meetings (these will be week prior to parent interviews).
- Only one interview slot per Child will be allocated – we will do our very best to accommodate a suitable time for both parents to attend.

## IEP NAME CHANGE

- As part of the impending changes as a result of the SEND act 2016, IEPs shall now be known as PLPs (Personal Learning Plans)
